Community Service Project Evaluation

Evaluating your experience in planning and implementing a community service project will help future leaders in your group as they plan similar projects. Keep this information on file as a resource for your group, and please send a copy to the office of campus ministry (cua-service@cua.edu), as it helps us learn about student experiences.

Student Group Name _____ Date(s) of Project _____

Contact Name _____ Email _____

Website _____

Would you recommend returning to this service site again in the future? YES NO

Please explain: _____

Describe the service project you participated in:

Successes of the project/event:

Challenges of the project/event:

Recommendations for improving the project in the future:

Feedback you heard from participants in the project:
